Squadron Commanders

The Vessel safety Check program is 17 years old. During that time we have performed over 425 thousand vessel safety checks. It is unknown how many lives may have been saved by our efforts.

I'm asking all of you to renew your efforts and support this initiative to increase the number of examiners and VSCs by 20% in 2017.

New members can take the required training and immediately start as a Vessel Examiner and continue to make our waters a better place.

Will you please help?
