Grand Lake O' the Cherokees boasts over 30 full service marinas and boat dealers. You can enjoy everything from a comfortable, friendly fishing camp style marina to luxurious yacht clubs with every service imaginable.

Many marinas offer fishing guides, boat and personal watercraft rentals, parasailing, and chartered yachts. These marinas offer a full line of boat services, equipment and repairs. You'll find a lively selection of fun summertime apparel and nautical gift items in most marina ship stores. Several marinas also feature fine dining with boat slips for guests arriving by water, and even live entertainment.

The over 60,000 members of the United States Power Squadrons are men and women who share an interest in recreational boating - both sail and power and a commitment to safe Boating. The Grand Lake Sail and Power Squadron is one of 450 squadrons that make up the United States Power Squadrons. Squadron activities include boating education opportunities for members; community service, including boating courses offered to the public; and on and off the water social activities.

The USPS Boating Course and the BoatSmart Course are offered several times each year on Grand Lake. Most insurance companies offer discounts of 5% to 15% on boat insurance premiums for those who pass these courses.
